

AEROSPACE Grinding Summit | 2024

FIRST-CLASS TICKET TO AEROSPACE SUCCESS

JOIN US APRIL 23-24 FOR THE AEROSPACE GRINDING SUMMIT.

A two-day event in Miamisburg, Ohio may well be the most beneficial event you attend in 2024. At the UNITED GRINDING and Norton | Saint-Gobain Aerospace Grinding Summit, you'll get a pinpoint focus on the industry, expert insight and collaboration and the unique opportunity to use the brightest minds to help your business grow.

MACHINES AT THE SHOW

- WALTER HELICHECK PLUS with 3D Sensor
- STUDER S41
- BLOHM PLANOMAT XT
- MÄGERLE MFP 30
- BLOHM PROFIMAT MC

ON THE DOCKET

- Richard Aboulafia as keynote speaker
- Live machine demos
- 5+ breakout sessions
- 8+ industry-leading vendor partners
- Plenty of food, drink and networking

WHO SHOULD ATTEND?

Anyone responsible for continuous improvement and optimization of manufacturing processes related to grinding and finishing of aerospace parts. Attendees will leave the Summit with a holistic view of the latest technical innovations in aerospace grinding—as well as a certificate of completion for a 16-hour aerospace training course.

HOW (AND WHEN) TO REGISTER

Visit united.grinding.com/aerospacesummit24 to get more details on the Summit itinerary and travel arrangements. Tickets are \$500 apiece, but register before the end of February to get the \$400 early bird rate.

If you do business in aerospace manufacturing, don't hesitate! These are two days that have the power to fuel your company for years.

KEYNOTE SPEAKER: RICHARD ABOULAFIA

Managing Director at AeroDynamic Advisory and prominent aerospace industry analyst, as seen on media outlets ABC, BBC, Bloomberg, Reuters, CBS, CNN, NBC, NPR and PBS.
